## **Burn Permits and Seasonal Campfire Permits**

**Burn Permits** are required by law when you want to do any open burning during the year. Burn Permits can be obtained at [wardensreport.com](http://wardensreport.com). This is a free service, you only need to be able to print out the permit. Permits will not be issued until **9:00 am on weekdays and 10:00 am on weekends**. Also the website won't let you process a burn permit if the fire class for that day is too high.

**Seasonal Campfire Permits** can be obtained at the Town Office and are good for the calendar year. New permits are available as early as January 1st of each year.

## Boat Registrations

Boat registrations can be renewed in the office and online starting January 1, 2022. If you register online keep in mind that it will take the State some time to mail you the stickers. If you register in the office please bring:

1. Last years registration,
2. The ME # on the Hull or
3. The registration sticker #.

For NEW to you boats you will need to come into the office and bring with you:

1. A Bill of Sale that lists the Year, Make and Serial #, Sellers name and Address and
2. The ME # on the hull if it was registered in Maine by the seller.

**Please keep in mind that we need a half hour to process a single new to you transaction.**
