Dog Licensing

Began October 15. All dogs 6 months and older need to be licensed every year. Licenses can be obtained at the Town Office or online. You will need your dogs current rabies certificate. If you register your dog online you **will not** receive the tag until after the beginning of the next month. If you no longer have your dog for any reason, please give us a call (207) 787-2457 or email adminassist@townofsebago.org so that we may remove your dog from our records and avoid a visit from the animal control officer.

Neuter/Spayed Dogs are \$6.00, Unaltered dogs are \$11.00.

MAILBOXES BEWARE

Often the question arises as to who is responsible for any damage to mailboxes during snow removal. The Town is not responsible for any damage to mailboxes being hit by the plow trucks. The reason is that mailboxes are usually placed in the Town or State right-of-way's. The bottom of mailboxes must be set approximately 54" from ground level to allow a plow wing attachment to pass under it. The upright mailbox post should be set back from the edge of pavement at least 24" with a horizontal support extending outward to allow a mail delivery vehicle to keep its tires on the pavement and still be able to reach the mailbox door. When the mailbox door is in the open position (tilted down), the outer most edge of the door should be plumb with the edge of the pavement.

WINTER SALT/SAND AVAILABLE FOR SEBAGO RESIDENTS

Sebago residents and taxpayers may obtain salt/sand from the designated area in the lean-to building located in front of the Public Works Garage (and next to the EMS Building) to use only on their own property located in the Town of Sebago. Contractors shall not obtain or use any town salt/sand for commercial purposes.

Christmas Tree Disposal

The Transfer Station will accept undecorated Christmas Trees during the holidays. Trees with decorations such as tinsel, garlands, etc., will not be accepted. You will need to have an **orange** or **green** transfer station sticker to drop off any Christmas trees.

Sebago Branch Duckers

Snowmobile Club

The State of Maine has over 14,000 miles of trails that are marked & maintained. If you ride snowmobile locally, hopefully you have seen the continuous improvement in our local trail system. Sebago volunteers, (your friends and neighbors), work countless hours to keep the sport alive right here in your community. Over the past year, the club has grown once again in terms of membership numbers. Snowbanks at road crossings & trail entrances continue to be a challenge for us. Please, if you plow snow feel free to contribute to the club by keeping trail entrances open and safe. We also want to thank all the landowners who share their land with all of us. Without the landowners we wouldn't have a trail system. Have a safe & respectful snowmobile season!
