In the near future a survey will be available on the town website to help us identify the underserved areas in town. We will use the information collected to continue forward with assessments and justification to apply for funding and expansion grants.

Your information will remain confidential. In addition to the survey, be sure to take the speed test on the [town website](#). The more surveys and speed tests we collect, the greater our chances at receiving funding. If you are interested in serving on this committee please contact the Town Manager at [townmanager@townofsebago.org](mailto:townmanager@townofsebago.org)

## **Douglas Mountain Hiking**

The hiking trails are open! Please help us keep the trails clean and clear. Pets are allowed, but please make sure that you clean up after them.

## **Town Stickers**

As many of you know the Town Stickers are **Orange** this year. If you still have a square sticker with **Blue** lettering, please come get a new sticker at your earliest convenience.

Please remember that **each** vehicle that goes to the Transfer Station or the Town Beach needs a Town Sticker that matches the vehicles license plate number. There are no limits on how many Town Stickers you can have. The only requirement is that you are a Sebago Resident or Property Owner. If you are renting we will need to see a copy of your rental/lease agreement.

### **Ways to obtain a sticker:**

1. Come into the Town Office, during office hours, with your license plate number.
2. Mail a note with your Name, Sebago Address, Phone Number, License Plate Number, and a Self Addressed Stamped Envelope and we will mail the stickers back to you.

### **Transfer Station Information**

If you have questions about what the Transfer Station accepts or what they charge for please call (207) 787-2176. The Transfer Station is open the T's and the S's (Tuesday, Thursday, Saturday and Sunday) from 7am-5pm.

## **Licenses for ATVs, Boats and Snowmobiles**

The Town of Sebago can process first-time and renewal registrations for ATVs boats, and snowmobiles for residents and non-residents.

To process a **first-time registration** for any of the above recreational vehicles, you will need:

- Bill of Sale—which should include seller's name, buyer's name, VIN/Serial number, Maine registration number (if previously registered in Maine), and the price of the recreational vehicle.

Sales Tax—is required for first-time registrations. Be prepared to pay 5.5% of the sales price on a new recreational vehicle. *Please note: If your recreational vehicle is a used model and previously registered in Maine we will need the Maine registration number (ME number).*

**To process a renewal registration for any of the above recreational vehicle please present your previous registration, ME #, or Sticker # at renewal time.**

### **Registration Period**

- All Boats expire December 31st of each year.
- ATV's and Snowmobiles expire June 30th of each year.

## **Burn Permits and Seasonal Campfire Permits**

**Burn Permits** are required by law when you want to do any open burning during the year. Burn Permits can be obtained at [wardensreport.com](http://wardensreport.com). This is a free service, you only need to be able to print out the permit. Because of the lack of manpower in Town permits will not be issued until **5:00 pm on weekdays and 10:00 am on weekends**. Also the website won't let you process a burn permit if the fire class for that day is too high.

**Seasonal Campfire Permits** can be obtained at the Town Office and are good for the calendar year. New permits are available as early as January 1 of each year.
