Rabies Clinic: Date to be Determined

Dog Licensing begins October 15. All dogs 6 months and older need to be licensed every year. Licenses can be obtained at the Town Office or online. You will need your dogs current rabies certificate. If you register your dog online you will not receive the tag until after the beginning of the next month. If you no longer have your dog for any reason, please give us a call (207) 787-2457 or email adminassist@townofsebago.org so that we may remove your dog from our records and avoid a visit from the animal control officer.

Neuter/Spayed Dogs are \$6.00, Unaltered dogs are \$11.00.

Message from the Public Works Director

MAILBOXES BEWARE - Often the question arises as to who is responsible for any damage to mailboxes during snow removal. The Town is not responsible for any damage to mailboxes being hit by the plow trucks. The reason is that mailboxes are usually placed in the Town or State right-of-way's. The bottom of mailboxes must be set approximately 54" from ground level to allow a plow wing attachment to pass under it. The upright mailbox post should be set back from the edge of pavement at least 24" with a horizontal support extending outward to allow a mail delivery vehicle to keep its tires on the pavement and still be able to reach the mailbox door. When the mailbox door is in the open position (tilted down), the outer most edge of the door should be plumb with the edge of the pavement. Please give Director Scott Douglas a call with any questions. (207) 787-3337 or (207) 615-3004.
